

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-17. (Previously Canceled)

18-22. (Currently Canceled)

23. (New) A method in a computerized system for building a custom specification and a quote for a piece of equipment, comprising:

providing at least one pre-engineered specification, wherein the pre-engineered specification is a specification for one or more designs of a component for which existing designs have been completed;

displaying the at least one pre-engineered specification for the equipment;

electronically soliciting from a user a selection of one of the at least one pre-engineered specification;

electronically soliciting from the user a manufacturer of one component of the equipment;

displaying options and prices for the component and allowing the user to select at least one option for the component, wherein the displaying options and prices includes updating the displayed options and prices after an interrelated option has been selected;

generating a report showing the options selected for the component and a subtotal cost for the component; and

generating a report showing the components selected and the total cost of the equipment.

24. (New) The method of claim 23, the equipment is a leased equipment.
25. (New) The method of claim 24, the leased equipment is a truck.
26. (New) The method of claim 25, the user is a dealer's salesperson.
